

How To Draw SPIDER-MAN!

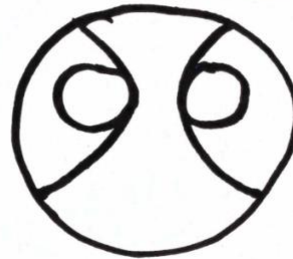

1. Draw a circle

2. Draw 2 small circles

3. Draw semicircles around the smaller circles - like the seams on a baseball.

4. Color it in!

5. place a dot in the center between the eyes. Draw a line up/down, + 2 diagonally through that dot

6. Draw some webs! Curves dip down between lines on the top, curves arch up between lines on the bottom half.

7. Grab your Crayon, Color spidey RED, add a THWIP! and sign your Masterpiece!
